Dear Sisters, Brothers, and Children in Jesus Christ,

"I will destroy this Temple that is made with hands, and in three days I will build another not made with hands" (Mark 14: 58). Probably what Jesus really meant was that with his arrival on this earth, all the rubrics, meticulous following of rules and regulations, animal sacrifices etc of Old Testament times have come to an end. In their place, a new spiritual worship would hopefully begin to take shape. A direct approach to the Spirit of God would not require a human-made Temple and a ritual of incense and sacrifice offered by the hands of priests. Therefore, the threat of Jesus is: "Your Temple worship, your elaborate ritual, your lavish animal sacrifices are at an end, because I have come." The promise of Jesus is: "I will give you a way to come to God without all human rituals. I have come to destroy this Temple in Jerusalem and to make the whole earth the Temple where people can know the presence of the living God."

The question is therefore, 'how are we as disciples of the Lord making efforts to convert the entire world, nay the whole of our universe into the Temple of the living God'? A good way to start the process may be to sanctify the little space and time that we occupy – be it our home, school, Church or the workplace. May the observance this Lenten season help us to do it.

Yours in Christ Jesus,
Fr. C. P. Varghese
Pastor
