Dear Sisters, Brothers, and Children in Jesus Christ,

The history of two thousand and more years of Christianity is not always very glamorous to read; much less even to comprehend rightly. Often looking at the sickening events that took place through Christendom and beyond, and the abuse of power especially in the middle ages would even make some people doubt whether the Holy Spirit was really active in the Church! Down through the centuries, the Church has often failed miserably and repeatedly. Someone has aptly remarked, "Christ will be crucified in every century not by people from outside, but by his own followers."

We are journeying through yet another crisis period of the Church in the wake of the scandals that are unfolding day by day. In the midst of it all, there are people who are trying to pursue their private, hateful agenda against the Church. All what we need to do at this moment is to ardently pray for the sanctification of the entire Church. Only the Lord can heal all the wounds. He alone can alleviate the pain inflicted.

Let the legal actions be taken against those who have erred as per the norms, both ecclesiastic and civil. But let it be borne in mind that we are not here because we witness the holiness or sanctity of individual, ordained ministers of the Church. Instead, we are here as members of the Church because we love being disciples of Jesus. Going by the same reasoning, we will not leave this place because there is abuse and scandal. We will try to look at them much more realistically in the light of the faith that we still have. May God bless all of us.

Yours in Christ Jesus,
Fr. C. P. Varghese
Pastor
