Dear Sisters, Brothers and Children in Jesus Christ,

**He is risen! He is alive!**

**Happy Easter to all.**

It's the reason for our being here that Christ though died, rose again.

As disciples of Jesus, it is also our bounded duty to propagate that Christ is alive in our midst.

How do we do that? By simply loving one another unconditionally and forgiving others as divinely as possible.

In the early Christian communities, the disciples of Jesus loved one another, shared everything in common, and forgave the offenses of others.

The rest of the world started recognizing them as Christians precisely by taking note of the above-mentioned signs present in the disciples of Jesus.

It was all happening because they took seriously the mandate of Jesus given to the apostles at last supper: "Love one another as I have loved you. By this, the world will come to know that you are my disciples" (John 13:34).

This world would be much better than what it is now if only we Christians start living like the early Christian communities of the first centuries, namely praying together, living in harmony, forgiving all, helping one another etc.

Why not make efforts at home? 'Charity begins at home', as the saying goes. Can we start living in harmony and fellowship with our own family members at home? And then extend the same culture to our Church, our society, nation and world at large?

Thanks to all those who were involved in making arrangements for the holy week services in all the three parishes of ours.

The next two months, we shall have the traditional Easter blessings in all the communities. Kindly see the next page for the schedule. Please contact your community reps (stewardship council member) to let them know your convenient time for blessing your home.

Yours in Christ Jesus,

**Fr. C. P. Varghese**

Pastor
